With its roots in book publisher Ravensburger AG, Your Family Entertainment has built a reputation as a provider of high-quality, educational content for kids and families.

The company, which also operates a successful kids' channel, is home to more than 3,500 hours of programming. At MIPTV, a key priority will be shoring up new deals on *Oscar the Balloonist*, which already has ZDF in Germany as a broadcasting partner. "It's trying to give educational content within entertainment," says CEO Stefan Piëch about the series, which, he says, "shows that education can be integrated into entertainment in a very positive and successful way."

Other shows on offer at MIPTV include the comedy *Wakkaville*, the action-adventure *Mission Odyssey* and *Adventurers: Masters of Time* as well as *Enid Blyton Adventure Series* and *Enid Blyton Secret Series*.

"Your Family Entertainment produces and distributes nonviolent, family-oriented TV programs that parents trust."
