Group Investor Relations | Frankfurt am Main | 7 May 2015

Financial Outlook 2015

Despite the challenging environment we aim to grow revenues and market share in the Core Bank

We expect Loan Loss Provisions for the Group at the level of 2014 with lower LLPs in NCA due to the asset run down

- As expenses are under pressure due to regulatory requirements and European bank levy, comprehensive execution of ongoing efficiency programs necessary to keep our cost base stable at ~€7.0bn
- We aim to organically increase our Basel III CET1 ratio fully phased-in to significantly more than 10% by the end of 2015 planning for a dividend 2015 and accruing accordingly

Current Commerzbank Bank- and Pfandbrief Ratings

Current Commerzbank Ratings

Bank ratings	STANDARD &POORS	MOODY'S INVESTORS SERVICE	FitchRatings
Long-term Debt	A- Credit Watch negative	Baa1 "Review for Downgrade"	A+ negative
Financial strength (stand-alone)	BBB-	Ba1	BBB

Investor Relations

This presentation contains forward-looking statements. Forward-looking statements are statements that are not historical facts; they include, inter alia, statements about Commerzbank's beliefs and expectations and the assumptions underlying them. These statements are based on plans, estimates, projections and targets as they are currently available to the management of Commerzbank. Forward-looking statements therefore speak only as of the date they are made, and Commerzbank undertakes no obligation to update any of them in light of new information or future events. By their very nature, forward-looking statements involve risks and uncertainties. A number of important factors could therefore cause actual results to differ materially from those contained in any forward-looking statement. Such factors include, among others, the conditions in the financial markets in Germany, in Europe, in the United States and elsewhere from which Commerzbank derives a substantial portion of its revenues and in which it hold a substantial portion of its assets, the development of asset prices and market volatility, potential defaults of borrowers or trading counterparties, the implementation of its strategic initiatives and the reliability of its risk management policies.

In addition, this presentation contains financial and other information which has been derived from publicly available information disclosed by persons other than Commerzbank ("external data"). In particular, external data has been derived from industry and customer-related data and other calculations taken or derived from industry reports published by third parties, market research reports and commercial publications. Commercial publications generally state that the information they contain has originated from sources assumed to be reliable, but that the accuracy and completeness of such information is not guaranteed and that the calculations contained therein are based on a series of assumptions. The external data has not been independently verified by Commerzbank. Therefore, Commerzbank cannot assume any responsibility for the accuracy of the external data taken or derived from public sources.
