

COMPANY PROFILE

Zalando (<https://corporate.zalando.com>) is Europe's leading online fashion platform for women, men and children. We offer our customers a one-stop, convenient shopping experience with an extensive selection of fashion articles including shoes, apparel and accessories, with free delivery and returns. Our assortment of over 1,500 international brands ranges from popular global brands, fast fashion and local brands, and is complemented by our private label products. Our localized offering addresses the distinct preferences of our customers in each of the 15 European markets we serve: Austria, Belgium, Denmark, Finland, France, Germany, Italy, Luxembourg, the Netherlands, Norway, Spain, Sweden, Switzerland, Poland and the United Kingdom. Our logistics network with four centrally located fulfillment centers in Germany allows us to efficiently serve our customers throughout Europe, supported by a warehouse in Northern Italy with a focus on local customer needs. We believe that our integration of fashion, operations and online technology give us the capability to deliver a compelling value proposition to both our customers and fashion brand partners.

Zalando's shops attract over 160 million visits per month. In the third quarter of 2016, more than 65 percent of traffic came from mobile devices, resulting in 19.2 million active customers by the end of the quarter

¹ Site Visits defined as the number of series of page requests from the same uniquely identified client at Zalando, including website, m.site and apps in the measurement period. A visit is considered ended when no requests have been recorded in more than 30 minutes.

² Mobile is defined as tablets, mobile site and apps.

³ Active Customers defined as the number of customers placing at least one order in the last twelve months in the measurement period irrespective of cancellations or returns.

⁴ Number of Orders defined as the number of customer orders placed in the measurement period irrespective of cancellations or returns. An order is counted on the day the customer places the order. Orders placed and orders delivered may differ due to orders that are in transit at the end of the measurement period or have been cancelled.

⁵ Average Basket Size defined as the transactional revenue (incl. VAT and transactional volume of Partner Program) after cancellations or returns divided by the number of orders.

⁶ Fulfillment Cost Ratio defined as fulfillment cost as a proportion of revenue in the measurement period. Fulfillment costs mainly include logistics, content creation, service and payment expenses, as well as allocated overhead costs. Fulfillment costs therefore comprises all selling and distribution costs, except for marketing costs. All numbers shown excluding equity-settled SBC costs.

⁷ Marketing Cost Ratio defined as marketing cost as a proportion of revenue in the measurement period. Marketing cost mainly consists of advertising expenses including search engine marketing, television, online display and other marketing channels as well as allocated overhead cost. All numbers shown excluding equity-settled SBC costs.

⁸ Other assets includes investments into short-term deposits of €220m, which are not listed under Cash and Cash Equivalents due to their maturity of more than 3 but less than 12 months.
